(FPS registration # 528004200500826)

This CONTRACT for the breeding season of 2011, made and entered into on (date): \_\_\_\_\_ is by and between Serenity Acres and Cheryl Kohler hereinafter designated Stallion Owner, and \_\_\_\_\_, hereinafter designated Mare Owner. Mare Owner agrees to breed the Mare named: \_\_\_\_\_, to the Stallion Pieter K.P. for the Fee of \$700, for a live foal, subject to the following conditions:

1. Mare Owner agrees to pay a Collection/Packaging/Shipping/Stud Fee as stated in condition # 16
2. Upon Mare Owner's request Special Same Day Shipping (counter to counter + courier fee) is responsibility of the Mare Owner.
3. Serenity Acres agrees to ship semen with a concentration level adequate to inseminate one mare. A licensed veterinarian must inseminate the mare. Shipped semen must be used only for the mare stated on this contract. Mares on-site at Serenity Acres have breeding priority on any given breeding day.
4. Serenity Acres must be notified prior 24 hours in advance of the date the semen is to be shipped. Collection days are typically: Monday, Wednesday & Fridays. Special request for SAME DAY collect & ship will be sent "same-day" service at mare owner's expense.
5. Breeding season starts, January 31st 2011 and closes August 31st 2011 unless other agreements have been made.
6. To ensure live foal guarantee, Mare Owner will:
  - (A.) vaccinate pregnant mare with Pneumabort-K during 5th, 7th, & 9th months of gestation;
  - (B) prevent mare's ingestion of fescue grass/hay for at least 3 months prior to expected delivery date of foal as a precaution;
  - (C.) worm mare every 60 days throughout pregnancy;
  - (D.) provide ample feed and adequate shelter; and
  - (E.) protect mare from undue stress especially in the last 60 days of pregnancy.
7. Live foal guarantee defined as "foal able to stand and nurse for at least twenty-four (24) hours after birth."

8. Mare Owner shall attempt with reasonable diligence to settle mare by a licensed veterinarian only. If however, for any reason the mare does not settle, Mare Owner will hold Stallion Owner harmless. If mare does not settle after three breeding shipments, Mare Owner has the option of waiting for the next year or bringing the mare to Serenity Acres for AI services at Mare Owner's expense, costs of mare care does apply.

9. In the event that said mare does not settle this season or deliver a live foal next year; or mare dies during breeding season; Serenity Acres agrees to give Mare Owner an additional service to the same mare or an agreed-upon substitute mare during the following breeding season for a \$200 Collection Fee, (Packaging/Shipping Fee applies) Copy of registration papers for substitute mare to be sent to Stallion Owner prior to shipment. Past this second breeding season, Serenity Acres shall have no further liability hereunder for servicing any mares. Mare Owner also agrees to pay \$200 for each collection/packaging/shipping for every shipment for both breeding seasons.

10. Stud fee is non-refundable, all fees need to be paid in full before shipping by cash, certified bank check or money order

11. Mare Owner must notify Serenity Acres when mare has been checked for pregnancy.

12. Mare owner must provide Serenity Acres with Registration papers or 2 photographs of Mare by email or regular mail prior to shipping of the semen

13. Stallion Owner will issue certificates when foal stands and nurses and all fees and bills are paid in full. The signing of this contract entitles Serenity Acres to charge \$20 per month on all past due invoices. Past due billing is defined as those amounts not paid within thirty (30) days of invoice date.

14. This contract is non-assignable and non-transferable. This contract represents entire agreement between the parties. No other agreements, promises, verbal or implied, are included unless specifically stated in this written Contract.

15. Serenity Acres, the stallion owner or anyone else representing either party, including the attending veterinarian make no representation in connection with foal's genetic outcome.
